

# Without PHCC, You Stand Alone.

**PLUMBING HEATING COOLING  
CONTRACTORS ASSOCIATION**

## **PHCC Has an Arsenal of Safety and Risk Management Resources**

PHCC stands ready to help you develop and implement a quality safety program for your company and employees. “Risk Management Strategies” and “ToolBox Talks” provide the information you need to keep your employees safe and healthy, and to protect your business. Sample topics include:

### **Risk Management**

- Workers’ Compensation Fraud
- Distracted Driving
- Why Motor Vehicle Reports are Important
- Helping New Employees Avoid Injury
- Adverse Weather Safety
- Preventing Back Injuries

### **Safety Meetings**

- MSDSs and Labels – Read Them
- Preventing Carbon Monoxide Poisoning
- Aging in the Workplace Safety Guide
- Safe Worksite Checklist
- First Aid Kits
- Protective Clothing

Through PHCC’s partnership with Federated Insurance, members have access to tools and resources that help reinforce safe working practices and mitigate risk.

A multitude of resources are available including Open for Business®, a disaster preparation and recovery program to guide you in developing a comprehensive property protection and business continuity plan; materials to help you create consistent, effective and well-documented hiring practices; a drug- and alcohol-free workplace program; workers’ compensation claims management and loss control, and more. And, if your company does government contract work, your technicians are eligible for discounts in OSHA 10- and 30-hour training through the PHCC Educational Foundation’s Virtual University.

PHCC’s safety and risk management resources can help you keep your employees safe and healthy, and better control losses to reduce your insurance costs. PHCC membership is a risk-free investment in the success of your business...guaranteed to improve your bottom line!
