REGISTER

[University of Houston Clear Lake](#) (UHCL) and the [Gulf Coast Safety Institute](#) (GCSI) are providing FREE excavation and trenching safety plan workshops for small-businesses in the Houston region. The trainings and materials were produced under grant number SH-05130-SH9 from the Occupational Safety and Health Administration, U.S. Department of Labor. It does not necessarily reflect the views or policies of the U.S. Department of Labor, nor does mention of trade names, commercial products, or organizations imply endorsement by the U.S. Government.

Registration: Register at <http://www.eventzilla.net/user/UHCL> or contact Robert Phalen at (281) 283-3753 or phalen@uhcl.edu

Walk-in registrations are not accepted. The doors open at 8:30 am and 12:30 pm for class check-in. The class will begin promptly on time. Face masks must be worn at all times and social distancing will be practiced.

Certificates of Completion will be awarded to all participants who complete these courses. Continuing Educational Units (CEUs) are awarded for each class.

Training Location: [College of the Mainland, 1200 N. Amburn Rd., Texas City, Texas 77591, Learning Resource Center Auditorium, LRC-131](#)
